CONFERENCE

Setting Up a Genealogy Interest
Group For Seniors Computer Clubs

by

John Shortland

Hurstville Seniors Computer Club

My Presentation Today

- Basic Concept of an Interest Group
- Getting started
 - Members survey
 - Facilities required
 - Group management
 - Organization of meetings
 - Dissemination of information
 - Support training
 - Review HSCC GIG & CD
 - Review of the HSCC web site

BASIC CONCEPT

- Interest Groups are formed from members who have special areas of interest such as: Digital Photography, Desk Top Publishing, Web Page Design, Communications, Creative Writing, Genealogy etc.
- Groups can be set up to help you with using your computer to pursue your special Interest and especially to help each other
- Basically they are also friendly gatherings to promote interchange of information and to share experiences

GETTING STARTED and Points to be Considered

- Members survey
- Facilities available - Accom'n, Equipment
- Costs consideration-variables
- Group management
- Organization of meetings
- Dissemination of information
- Support training

HURSTVILLE SENIORS COMPUTER CLUB

A Review

Webmaster- Fred Scott

Joke Time

One Genealogist to Another

‘My Family tree dates back to 1066 with William the Conqueror. How far does yours go back?’
Reply - ‘I don’t know as all our records were lost in the Flood.’

Genealogy

Now

Future

Yes! Genealogy is

a

Never Ending Story

The End

**Thank You All for Coming
